

The CORE Program - Dates & Cost

Dates:

The CORE program is a 12-month program beginning in September and going through August. Exact dates will be given to you upon acceptance.

Cost:

The Cost of the program is \$2,000 for the year. \$1,000 is due on August 31st and the remaining balance (\$1,000) can be paid in monthly payments but must be paid in full by January 31st of that CORE Program year. We do offer a discount for married couples.

You are allowed to work evenings or weekends to cover your bills and living expenses. Some have been able to fully raise their support and don't have to work full time jobs outside of this program. If you are able to do that, we strongly encourage it.

If payments are past due, a 5% late fee will be added to your tuition.

Requirements:

- Complete an application and an extensive interview process.
- Go on a GV trip during the CORE program year.
- Graduated from High School or have a GED.
- Own an Apple laptop computer.
- Have basic computer skills and be proficient in Word and in Excel.

A Message from John and Martine Smithwick, the founders of this program:

Thank you for your interest in the CORE Program! We are excited about the possibility of getting to know you and helping you grow in the gifts God has placed upon you.

If you feel this program could be the next step for you, complete an application and we will schedule a phone conference with you to discuss further details. Please keep in mind that although you will have the time of your life here with us, the CORE is also very intensive and requires a good amount of work. It is not for the faint or weak of heart - this is an elite program. Our goal is to raise up an army to take this world with the love and power of Jesus Christ!

Since this program upholds high standards in order to train people for ministry, not everyone who applies will be accepted into the CORE Program. We prayerfully consider each applicant and our final decision will be based on whether we feel this program is the right fit for you.

We look forward to hearing from you.

John & Martine Smithwick
